

# Valentine's Day Candy Gram Fundraiser

During the week of February 10th, Ms. Reid and M. Martineau's grade 5 and 6 students will be selling **Valentine Candy Grams** (Chupa Chups Lollipops) to support the [Education Foundation](#).

Students may purchase a lollipop to send to a friend the day before Valentine's Day (February 13th). The candy grams will sell for **50 cents each**, and will come with a personalized card. Below is a schedule outlining when each grade will have an opportunity to buy candy grams.

**Mon. Feb. 10**  
**Gr. 1 and 2**

**Tues. Feb. 11**  
**Gr. 3 and 4**

**Wed. Feb. 12**  
**Gr. 5 and 6**

In order for your child to send a card, **they must know the following information for each child they wish to send one to**. This information will ensure that the card and lollipop get to the correct individual.

First Name: \_\_\_\_\_  
Last Name/Initial: \_\_\_\_\_  
Teacher: \_\_\_\_\_

If your child has any **food allergies**, they will receive a sticker instead of a lollipop. If your child has allergies and you wish that they receive a lollipop, please send an email to your child's teacher stating that your child is able to receive a lollipop. We will ask that all students with allergies who choose to receive the lollipops, take them home to eat. Lollipops **do not** contain gelatin or nuts, but they **do contain milk** and **may contain soy**.

Please note that we will not be able to break large bills, please send your child into school with an amount close to how much they will be purchasing. (i.e. - \$1.00 for 2 candy grams or \$5.00 for 10 candy grams).

Thank you for your support of our fundraiser.

Sincerely,

Ms. Reid and M. Martineau
